# HEAR FROM OUR PATIENTS

”

*Never have I felt so important as a patient.  
Great experience. His staff is amazing.  
–Janice P.*

*Prompt, courteous, expert treatment. Fortunate  
to have such quality professional service in our  
little town of Alma.  
–James*

*Dr. Neal was also efficient and informational  
as he examined my teeth and made several  
suggestions about continued dental care.

## DELIVERING RESULTS

At Dr. Jesse Neal's Dental Care, it's important you feel comfortable with our team and the services we offer. Using a biological approach, Dr. Neal believes strongly in education to prevent oral health problems before they occur. To that end, we provide you with various procedure options and teach you how to maintain oral health through preventative care. Together, we're working toward beautiful smiles that are healthy ones, too.

**Dr. Jesse Neal**

Dr. Neal received his undergraduate degree from Chadron State College in 1999 and went on to the University of Nebraska Medical Center-College of Dentistry where he became a Doctor of Dental Surgery in 2003. He and his staff are committed to ongoing education as well as ensuring that the office is equipped with the latest technology.
